In Re:

"A Disposable Wet Wipe For Cleansing a Horse Bit"

Inventor: Susan A. Cook

Application #: 10/719,846

Filing Date: 11/24/2003

Exhibit "AA"

NEXT AMENDED CLAIMS

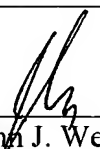

What Is Claimed Is:

1. (Currently Amended) A disposable wet wipe unit for cleansing horse bits,
[comprising:] consisting of:
 - a. a disposable piece of one ply non-woven paper material;
 - b. said piece of paper material consisting partially of a wood pulp material;
 - c. a solution consisting of water mixed with peppermint flavored extract material, and;
 - d. a soaking of said piece of paper material with said solution.
2. (Currently Amended) A disposable wet wipe unit for cleansing horse bits,
[comprising:] consisting of:
 - a. a disposable piece of one ply non-woven paper material;
 - b. said piece of paper material consisting partially of a wood pulp material;
 - c. said wood pulp material being 54 percent of the whole of said piece of paper material;
 - d. said piece of paper material having a weight density of 1.50 ounces per square yard thereof;
 - e. said piece of paper material being six inches in width and seven inches in length;

- f. a solution consisting of water mixed with a peppermint flavored extract;
 - g. said solution consisting of 30 teaspoons of said water mixed with 1 teaspoon of said peppermint flavored extract;
 - h. said peppermint flavored extract consisting of 89 percent ethyl alcohol and 11 percent oil of peppermint, and;
 - i. a soaking of said piece of said paper material with said solution.
3. (Previously Presented) The disposable wet wipe for cleansing horse bits of Claim 2 whereby, the percentage of said wood pulp in said piece of paper material varies from 45 percent to 55 percent.
4. (Previously Presented) The disposable wet wipe for cleansing horse bits of Claim 2, whereby the percentage of peppermint flavored extract material in said solution varies from 1 teaspoon of said peppermint flavored extract material mixed with 20 teaspoons of said water to 1 teaspoon of said peppermint extract material mixed with 50 teaspoons of said water.
5. (Previously Presented) The disposable wet wipe for cleansing horse bits of Claim 2 whereby said piece of paper material has dimensions ranging from 3 inches in width by 4 inches in length to 8 inches in width by 8 inches in length.
6. (Previously Presented) The disposable wet wipe for cleansing horse bits of Claim 2 whereby said piece of paper material has weight density of from 1.00 ounces per square yard thereof to 2.20 ounces per square yard thereof.

DATED this 14th day of September, 2006 at Rutland,

Vermont.

John J. Welch, Jr., Esq.,
Attorney for Applicant, Susan A. Cook
